## The future of education is here

Centerm Chromebook M610 runs on the Chrome operating system which is designed to be lightweight, affordable, and easy to use, empowering students and teachers with seamless access to digital resources and collaborative tools.

## Chromebook M610

### Designed to Make Learning and Teaching Easier

- A built-in handle makes it easy for children to carry.
- Google Cloud storage space eliminates the fear of file loss and provides easy access to learning materials
- Supports multiple student accounts, meeting the needs of multiple users on a single device, suitable for schools or community learning environments.
- A rich selection of educational apps and resources to support teaching and learning.
- High-definition display and Intel® processor ensure smooth application usage.
- Wi-Fi and 4G LTE networks offer seamless access to learning resources.
